

# WASH 25

**19th October 1984 to November 13th 2008**

My - how time flies! WASH is celebrating its 25th year and it still gives me as much of a buzz as it did in 1984 and it is, of course, with great personal pride that the weekend has been one of the major Plus events for many years.

Naturally, to mark our major milestone we want to make this year's event as special as we possibly can - we have already booked many acts which we are sure will generate an extra special atmosphere, but the main thing which myself and the committee believe will make WASH 25 extra special is the attitude and enthusiasm of everyone attending this historic event in the History of Plus.

Therefore, and for this year only\*, we are opening the event to past Plus members who are very welcome to come along and be a part of the 25th anniversary celebrations. The condition of attendance is that you must come along, forget your worries and have a great party weekend. Please start spreading the word to current and ex-members that WASH 25 will be an extra special event for extra special people.

To ex-members, don't worry if you've been off the scene for a few years, you will be very welcome and, who knows, you may wish to join one of our Quest groups which are specially designed for past members and are popping up all over the country. If your past memories of WASH are of chilly caravans, you will find that Searles 2008 is now state of the art luxury. You will not be disappointed, in fact we believe you will be very impressed.

WASH 25 will be a celebration of all that is great about our wonderful organisation and we would love to see many past members attending, as well as plenty of new and current members, to make this weekend extra special.
